

OTA Funding Request Tutorial

Request for contracting action

Travel costs are reimbursed at the rates in effect on the date the travel began. Receipts are required for any single expense of twenty-five dollars or more. Requests submitted more than sixty days after the end of travel require written justification from the department head.

NOTES:

- Submit SEPARATE FUNDING REQUESTS for EACH VENDOR
- INCLUDE SOW, CONTRACT, SIGNED IGCE, 7600A (if applicable), MIPR INSTRUCTIONS (if applicable)
 - * 7600A required for Reimbursable MIPRs, and if the receiving office requires one

This callout is a wrapped run of ordinary sentences, set two points larger than the body text around it, which makes it emphasis rather than a section heading.

- see page 4 for sample IGCEs
- see page 5 for info going into 7600A

Travel costs are reimbursed at the rates in effect on the date the travel began. Receipts are required for any single expense of twenty-five dollars or more. Requests submitted more than sixty days after the end of travel require written justification from the department head.
